TO: Vaughn Baker NPS-Coulee Dam (509) 633-9441 x110	FROM: Monica T EPA (206) 55		DATE M TIME	ay 2001
SUBJECT Upper Columbia River site				
SUMMARY OF COMMUNICATION		_		

I contacted and spoke with Vaughn Baker to inform him of EPA's planned sampling activities at the upper Columbia River and to inquire about coordination protocol with the National Park Service pertinent to field activities.

Vaughn Baker informed me that I should contact Ray DePuydt of the National Park Service-Kettle Falls and that a copy of the sampling plan should be sent to Mr. DePuydt.

I apologized to Mr. Baker for the short notice and any inconvenience it has caused. Mr. Baker stated that it should be no problem.

ACTION TAKEN:

I contacted and spoke with Ray DePuydt to inform him of my prior conversation with Vaughn Baker. I also informed Ray DePuydt that a copy of the Upper Columbia River sampling plan was being sent to him. I apologized to Mr. DePuydt for the delay in providing him with a copy of the sampling plan and assured him that EPA intends to coordinate its activities with the National Park Service and the Tribes.

EPA contractor personnel met with NPS staff to review and discuss the proposed sampling locations.
